

Walkers Professional Services is Moving!

1 December 2020

Following several years of rapid growth at Walkers, we are delighted to announce that the affiliated professional services arm, Walkers Professional Services (WPS) will be joining Walkers in expanded headquarters in the heart of George Town, Grand Cayman.

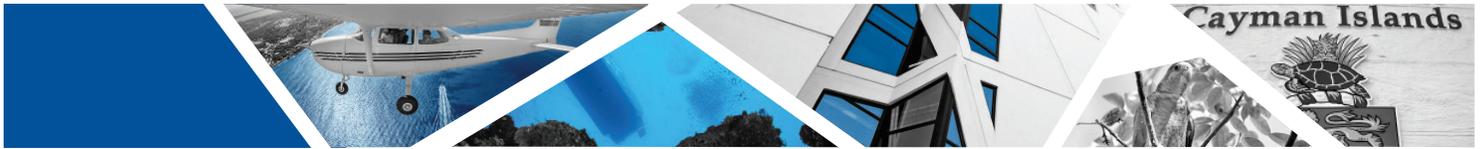

The move will further integrate Walkers' market-leading team and enhance the already best-in-class legal and professional services that the firm delivers to clients. A reflection of the significant expansion of Walkers in recent years, the move will also provide the additional space needed for the firm to continue to grow in response to increasing client demand across all service areas.

This is just the latest in a series of exciting developments for the firm, which also made a number of strategic hires earlier in the year to bolster the next phase of its growth strategy.

As of 1 February 2021, WPS will be located at the following address:

190 Elgin Avenue
George Town
Grand Cayman KY1-9008
Cayman Islands

WPS is taking all necessary regulatory and legislative steps in the Cayman Islands on behalf of our clients with regards to the change of registered office of its operating companies: Walkers Corporate Limited, Walkers Fiduciary Limited and Walkers Compliance and Regulatory Services Limited. However please note the change of address for your records, and where necessary, take steps to inform any affected third parties.

If you have any questions in relation to the re-location of WPS and change of registered office address, please reach out to your usual Walkers contact or any member of the WPS executive team below.
